

SMARTY-PANTS TOWN

Mission 2 Activity Sheet

WHAT WE'RE PRACTICING

- Counting and number recognition
- Addition and subtraction
- Multiplication and division
- Problem-solving and critical thinking
- Following multi-step directions

HOW TO PLAY (SIMPLE VERSION)

1. Watch the video and listen carefully to each clue.
2. Look at the pictures shown for each clue.
3. Solve the math problem for each step.
4. Write your answer on the matching line.
5. Keep going until you finish all four clues.
6. At the end, put your answers together to make the code.
7. Say your code out loud and check your answer.
